Canneries will open Tuesday

The Appomattox and Pamplin School Community Canneries will begin operation Tuesday, July 8, for the 1979 canning season, according to Lloyd G. Walton, superintendent of schools for Appomattox County.

In an effort to conserve fuel, the canneries will operate only on Tuesdays of each week at the beginning of the canning season. As volume increases, more days of the week will be used for canning purposes. The canneries will be closed for all legal holidays-Labor Day and Thanksgiving.

Patrons may call the canneries for information on days of operation. The telephone number for the Pamplin Cannery is 248-6191 and the number for the Appomattox Cannery is 352-2222.

Each cannery will begin food processing at 8:00 a.m. each day that the cannery is in operation. Families are requested to bring in food between the hours of 8:00 - 12:30, and have all foods ready for processing by 1:00 p.m. Since only a limited amount of utensils are available at the cannery, patrons are requested to bring necessary clothes, pans, knives, etc. for preparing foods for processing. Lay instructors and other supervisory personnel will be available to instruct patrons in the use of cannery equipment as well as to demonstrate proper canning procedures. Children under 12 years of age are not allowed on cannery premises. Detailed rules and procedures for using the canneries will be given to each patron when they register to use the cannery facilities. Patron cooperation in following these procedures will greatly help in producing quality processed foods.

Can prices have been advanced this year because of a price increase in fuel oil and other maintenance costs. Prices which have been set by the School Board are as follows:

Number 303 (pint)17 cents
Number 2½ (quart) 23 cents
Number 10 55 cents

It is anticipated that the canneries in Appomattox County will have an adequate supply of cans.

Lay instructors at the Appomattox Cannery will be Grace Williams and William Guthrie with Mr. Barry F. Sauls, instructor of Agricultural Education in charge of supervision. The Pamplin Cannery will have Bertha Dickerson and Clayton Beale as lay instructors with Mr. James Burcher, instructor of Agricultural Education at the Appomattox County High School as the supervisor. Mr. J. W. Morgan, instructor of Agricultural Education at the High School, has the responsibility for maintenance of equipment and facilities. All of these persons have just completed a two-day workshop sponsored by the Agricultural Education Service of the Department of Education in cooperation with the Food Technology Department of VPI & SU and the Department of Agriculture and Commerce.

PREPARING TO CAN - Community cannery instructors and supervisors in Appomattox, Buckingham, Campbell and Charlotte counties participated in a pre-season workshop at Appomattox, June 23-24. Above R. C. Beale, Pamplin, checks the adjustment of the seaing machine. Watching with interest are (L to R) B. F. Sauls, supervisor; Mrs. Bertha Dickerson, Pamplin; William Guthrie and Mrs. Grace Williams, Appomattox.

Wreck Island club holds meeting

By MRS. TILDEN LEE

Mrs. Zolene Harden was hostess to the Wreck Island Extension Homemaker's Club on Tuesday, June 24 at 11:00 a.m. for a chinese meal.

The 13 members and guests assembled in Mrs. Harden's kitchen where she demonstrated how to prepare a chinese meal "Beef Sukiyaki".

Mrs. Harden used the Stir-Frying method, which is especially suited to the wok. The curved sides of the wok with small flat area in the bottom makes it possible to rapidly cook one ingredient in the bottom while another, already cooked, is pushed up along the sides to keep warm and make room for the next.

Cooking in hot oil preserves the color, flavor and crispenss of vegetables and seals in the natural juices of meats, and seafood. Most chinese dishes are served with rice-steamed or fried.

Peanut oil is recommended for use in chinese cooking because it can reach the very high temperatures without smoking.

When the meal was completed cooking the group gathered around the dining room table and were served "Beef Sukiyaki" with rice, tea, fruit compote, fortune cookies, and frozen cake, the group using "chop sticks" if preferred.

Mrs. Helen Stratton entertained by playing "Chop Sticks" on the piano.

The meeting was called to order by Mrs. Dixie Staten, club president.

Devoitons and prayer were given by Mrs. Harden, who read from "God in My Kitchen" - article "A Woman With No Trouble."

Mrs. Margaret Lee, secretary, gave the minutes of the May meeting and the treasurers report was given and approved.

Mrs. Staten read a letter from the Appomattox Junior Woman's Club and the Appomattox County Special Olympics thanking the club for their donation to Special Olympics.

One club member will attend the annual State Family Resources Conference at VPI and SU July 14-17.

Mrs. Staten led the group in the "Homemaker's Creed."

On Wednesday, July 16 at 9:30 a.m. members will meet at Mrs. Statens for a covered dish lunch. Mrs. Staten will demonstrate macrame.
